

# CAPABILITY STATEMENT

## ABOUT US

Veteran Screen Printing is a combat veteran owned screen print company located in St. Petersburg, FL. Established in 2015. Our services include a variety of screen printing techniques such as plastisol printing, water base printing, discharge printing and much more. We use top quality inks to assure colors are accurate and consistent for re-orders. We can print on your garments or ours. We offer design services for creating logos and graphics or can partner with you and your design team. Our clients include military organizations, businesses, schools, events, teams, organizations, artists, restaurants, fitness, lifestyle, boutiques and everything in-between throughout our community and nationally.
